

23rd November 2022.

Dear Supplier.

Re: Drinagh Agri Workshop

You are cordially invited to the Society's Agri Workshop to be held at the:

West Cork Hotel, Skibbereen

On

Tuesday, 29th November 2022

Between

2.30 and 9.00 pm.

One to one advice will be given on a range of agricultural topics including:

- Herd health planning with Vet Martin Kavanagh, Munster Bovine
- Collaborative farming with Gordon Peppard, Teasasc Farm Structures Specialist
- Drinagh Mill staff and sales representatives will be available to discuss about animal nutrition issues, winter feeding plans
- Don Crowley on Selective Dry Cow Therapy, thermotolerant bacteria & overall milk quality
- Low Emission Slurry Spreading & Protected Urea with Dr. William Burchill
- Milk advisors will be available to sign up suppliers for FutureProof programme for 2022 and to discuss the criteria for FutureProof next year.
- Red Clover, White Clover and multi species swards with Dave Barry of Goldcrop.
- Solar Photovoltaic (PV) Panels with Paddy Rose of Advanced Heating & Energy System Ltd

Others in attendance will include Sensehub cow health monitoring and heat detection systems, ICBF, Munster AI, PastureBase and local Teagasc advisors as well as Drinagh staff.

One of the Society's Pharmacists will be present during the session to provide health and lifestyle advice.

There will also be a selection of trade stands in attendance.

All welcome to attend
