

Drinagh is a leading supplier of agricultural and hardware materials in West Cork providing a wide range of quality products to a large customer base.

We are currently recruiting:
Electrical Sales Assistant
Drinagh Hardware, Skibberen

Responsibilities:

- Support customers by providing information on household electrical products in order to maximise sales.
- Assist customers with any technical issues they may have related to their electrical products.
- Monitor and maintain/merchandise showroom displays.
- Assist with the management and fulfilment of online sales.

Skills and Experience:

- Experience providing advice to customers on household electrical appliances.
- Strong organisational, communication and interpersonal skills.
- Proactive and enthusiastic with the ability to work independently as well as part of a team.
- Good IT/Computer skills.
- A willingness to learn and to be flexible in the role.

Please email cover letter & CV to info@drinagh.com on or before 29th April, 2022.
