

We are currently recruiting an Agricultural Advisor to join our Agri Advisory team in Drinagh

The successful candidate will be a key member of the Society's agri advisory team. Our Advisors work closely with Milk Suppliers and Beef/Sheep customers providing technical advice to support their business needs.

Applicants must possess:

An excellent knowledge of farming and agribusiness especially in the following key areas:

- ✓ Grassland management
- ✓ Animal nutrition
- ✓ Nutrient management planning

Candidate Profile:

- Relevant 3rd level Agri qualifications
- Strong interpersonal, communication and IT skills
- At least three years' experience in an advisory role
- Ability to work on own initiative as well as part of a team
- Full clean driver's licence

At Drinagh, we value hands-on coaching and mentorship, equipping our teams for long-term success and driving the sustained growth of both the Society and its employees

**Please email cover letter & CV to info@drinagh.com
Closing date for applications Friday March 14th, 2025.**
